

## TYPE 3 & 12 W.P. SCREW COVER BOX

- These are used to junction boxes or control boxes in outdoor installation or indoor where dripping water is the problem. These enclosures are designed to protect the equipment against rain, sleet and snow.
- M.D.W.P Screw Cover Boxes are constructed standard in galvanized steel. An ANSI 61 grey polyester powder coating over galvanized steel also available.
- Fabricated in accordance with UL specifications from code gauge steel. Continuously welded seams ground smooth. Neoprene gasket attached to cover with oil resistant adhesive. These boxes are supplied with or without mounting holes. In case of with mounting holes two mounting ears are welded externally on the box.
